

SUPREME COURT

1. Program Correction – Motion Number not getting attached

On the File Court Document page, the motion sequence number is now getting saved for motion related documents.

2. Program Correction – Style Sheets being cached

New code has been added to force the new styles to appear without having to refresh the page.

3. Program Correction – Filed Date

On the Edit Document page, when a Filed Date is changed, the time will default to 9am, instead of 12am.

SURROGATE'S COURT

1. Payment Received or Payment Pending To Do Item

The clerk will have a To Do Item when the filer submits the requested additional fee. The To Do Item will be either Payment Received (if Credit Card) or Payment Pending (if Pay at Court).
